OBJECTIVE

To obtain a challenging and rewarding front-end developer position where I can utilize my knowledge, proficiency, and skills to collaborate and contribute to a company's growth.

RELEVANT EXPERIENCE

Front-End Developer & Designer   Feb 2017 – May 2017
School Project – Literary Magazine New Tricks

- Developed style of the webpage using Twitter Bootstrap
- Redesigned old landing page for better user experience
- Collaborated with group members on design and functionality
- Optimized website for responsive design

Front-End Developer   Nov 2015
Independent Project – Web Based Rogue Game

- Programmed interaction between the jQuery and the CSS
- Improved web performance for preferred run times
- Developed the master CSS stylesheet for the game
- Collaborated with another JavaScript programmer for optimization
- Optimized the HTML5 structure, syntax, and semantics

Front-End Developer & Designer   Aug 2012 – May 2013
Independent Study – Brandon Valley High School

- Collaborated with school staff for better user experience and design
- Updated information based on school needs
